A better way for fittings...

Monit Polymers has been a trusted name in bathroom accessories and sanitary fittings for over **30 years**, built on the values of **Quality, Accuracy, and Economy**. We offer a wide range of modern and traditional bathroom fittings designed for durability, functionality, and style.

Our products feature **PTMT (Polytetra Methylene Terephthalate)** an advanced engineering thermoplastic that combines the strength of metals with the versatility of plastics. PTMT fittings are **strong, scratch-resistant, anti-static, easy to clean**, and provide a **smooth finish**, ensuring long-lasting performance and hygiene.

Serving **residential, commercial, and industrial sectors**, Monit Polymers is committed to reliable service, consistent quality, and customer-focused solutions that deliver lasting value.
